**From our pastor Paul Milner— “ *We continue our meditations on the Holy Spirit & prayer once more this month, again with Andrew Murray’s help.*”**

‘Continue steadfastly in prayer, being watchful in it with thanksgiving.

At the same time, pray also for us..’ Col 4: 2-3

There is nothing that can bring us nearer to God, & lead us deeper into His love, than the work of intercession. There is nothing that can give us a higher experience of the likeness of God than the power of pouring out our hearts into the bosom of God, in prayer for people around us. There is nothing that can so closely link us to Jesus Christ, the great intercessor, & give us the experience of His power & Spirit resting on us, as the yielding of our lives to the work of bringing the great redemption into the hearts & lives of our fellow men. There is nothing in which we shall know more of the powerful working of the Holy Spirit than the prayer breathed by Him into our hearts, “Abba, Father,” in all the fullness of meaning that it had for Christ in Gethsemane. There is nothing that can so help us to prove the power & the faithfulness of God to His Word, as when we reach out in intercession to the multitudes, either in the Church of Christ or in the darkness of the surrounding world. As we pour out our souls as a living sacrifice before God, with the one persistent plea that He shall, in answer to our prayer, open the windows of heaven & send down His abundant blessing. God will be glorified, our souls will reach their highest destiny, & God’s kingdom will come.

There is nothing that will so help us to understand & to experience the living unity of the Body of Christ, & the irresistible power that it can exert, as the daily & continued fellowship with God’s children in the persistent plea that God will arise & have mercy upon Zion, & make her a light & a life to those who are sitting in darkness. O my brothers, how little we realise what we are losing in not living in fervent intercession. What may we not gain for the world & for ourselves if we allow God’s Spirit, as the Spirit of grace & of supplication, to master our whole being!

In heaven Christ lives to pray; His whole intercourse with His Father is prayer; an asking & receiving of the fullness of the Spirit for His people. God delights in nothing so much as in prayer. Shall we not learn to believe that the highest blessings of heaven will be unfolded to us as we pray more?

*Blessed Father, pour down the Spirit of supplication & intercession on your people for Jesus Christ’s sake. AMEN.*
